FOREWORD

A reflection may be a distinct image or merely a hazy outline, but it always resembles to some extent the original. The quality depends upon the reflecting surface.

An individual may be a reflecting surface, becoming a part of all that he has met. The high school years consist of many images cast upon the personality of each student. Education itself is aimed toward accurate and meaningful reflection of human knowledge and experience. This book mirrors a segment of that experience—that wonderful year 1964.

"For now we see through a glass darkly, but then face to face . . ."

Charles M. Berry
Principal

Pride in a winning team and school radiate from a proud administrator's face as he congratulates Coach Bill Allen.

Mr. and Mrs. Berry with daughters, Beverly and Dixie, share a proud moment with son Mark upon his 1963 graduation from Paschal.

DEDICATION

Upon his appointment two years ago as principal of Paschal High School, Mr. Charles M. Berry faced a gratifying challenge, the direction of one of the largest high schools in the Southwest. This challenge was a high point in his career as an educator and administrator.

Hard work, courtesy, and pride in being a Panther are characteristic of Mr. Berry. Such qualities have accompanied him through more than thirty years of teaching, counseling, and coaching. Mr. Berry's day does not end at 3:40. He works late at school and carries work home each day. In this way he maintains a reputation as an excellent school organizer.

In addition to being an avid reader, Mr. Berry gets much pleasure from time spent working in his yard. His meticulous work with plants and lawn makes his home a place of beauty. He takes great pride in his family, which includes three Paschal graduates. As participant, judge, and viewer, he has a love for athletics in its every phase. Because of this, he is especially interested in Paschal's athletics and in the promotion of school spirit.

Through triumphs and trials, Mr. Berry has been a firm but fair leader. He has been Paschal's staunch defender in the face of outside criticism and has evidenced his faith in the essential responsibility and maturity of its students. Genuine liking for young people has enabled him to say, "I have been happy in my work."

For these qualities of industry, loyalty, firmness, and fairness, we recognize Mr. Charles M. Berry. In this spirit, we dedicate to him the 1964 Panther.

Mr. Berry enjoys a rare moment of relaxation from official duties.

Our principal exchanges flags with Eduardo Amadeo, symbolic of the warm ties formed during Project Amigo.

There are moments of action and moments of quiet vision in the life of an administrator.

A familiar part of daily activities at Paschal are Mr. Berry's addresses over the P. A. system.

STUDENT BODY OFFICERS

Elected to serve as a link between the students and the administration and faculty, the student body officers help to correlate and publicize school activities. In addition to representing the Paschal student to the public, they have such specific duties as presiding at assemblies and leading in Service Council projects. Thus they help reflect the wishes and standards of the student body—the spirit of the typical Panther.

FACULTY

Reflections of a school year invariably include the image of teachers. The faculty, composed of dedicated educators, help make life at Paschal pleasant and profitable. With their help students become increasingly aware of the value of education. This education consists, in part, of a teacher's influence upon his pupils — both direct reflection and stimulation toward independent thinking.

Art Club Encourages Aesthetic Interests

The Paschal Art Club, organized in 1959, is one of our most active organizations. Its purpose is to encourage interest and understanding of the fine arts through programs, lectures, visits to galleries, and school art shows. Among its accomplishments are the formation of the Little Gallery and the sponsorship of art shows and scholarships. Activities outlined for this year's 31 members included drawing, painting crafts, and commercial shows with awards given. Under the sponsorship of Mrs. Beatrice Dunning, club members enjoyed lectures and programs supplementing the regular art curriculum.

Band Marches in Cotton Bowl Parade

Fire Prevention and Stock Show Parades allowed the Paschal Band to exhibit its skill this year. Even more of an honor was the invitation to march in the Cotton Bowl Parade. In the First Marching Festival, in competition with fifty-five other bands, the Paschal Band reached first division in marching and inspection. In the state level University Interscholastic League Contest at Texas Christian University, it captured two first divisions and completed the first step of a sweepstakes band.

One of the top five stage bands in a Brownwood contest was Paschal's, which is two years old. The entire band participated in the Peanut Bowl at Eastland on September 14. Joe Percy, Dean Parks, and Penny Locke were chosen for the All-Star Band, an honor sought by over 800 band members.

As tomorrow's leaders in the fields of marketing and distribution, the members of Distributive Education strive to develop their skills and expand on a part-time job basis while in high school. During the past year, members participated in the state convention, entering sales and interview contests. Other activities included a fall luau honoring officers, a Christmas open house, participation in the marketing seminar at Texas Christian University, and an open house honoring training sponsors. Field Trip to Harris Hospital Highlights Future Nurses' Year

To inform, interest, and encourage students to consider nursing and the allied health careers as a vocation is the purpose of the Future Nurses Club. Jouer Enlivens Club Meetings

When Linda Ferguson called "J, un," the French Club members quickly covered the corresponding space on their bingo cards. At the end of this February meeting winners were awarded prizes. At another meeting the members learned French Christmas carols. They celebrated Christmas and the end of the year with a party. The French Club, sponsored by Mrs. Carol Klein and Miss Annette Wiley, promotes interest in activities related to the French language and culture.

Greeks' Motto is "I Am What I Know"

The Greeks, the newly organized Paschal History Club, under the direction of Mr. Robert Barr and Mr. John Hill, actively dedicates itself to the motto, "I am what I know." The purpose of the club is to seek truth, and to present a supplement to classroom work in history. This year the 61 members visited city officials, attended public meetings and school board sessions, and heard a series of selected speakers.

Dedicated to fostering an interest in librarianship as a career and stimulating an enthusiasm for books, the Library Club, under sponsors Mrs. Ophelia Sparks and Mrs. Lou Byrd, helped Paschalites appreciate the fine facilities of the school library. Among the many activities scheduled for the 26 members were the celebration of Book Week, National Library Week, and a Christmas coffee for all the faculty and staff.

All-City Chorus Selects Wittneben As Soloist

The Mixed Chorus, Girls' Chorus, and Boys' Double Quartet strive to provide their members with a singing background of all types of music. Performing in such programs as PTA meetings, the Christmas assemblies, the Amigo assembly, the Spring Musicale, and Commencement, the groups are all directed by Miss Lois Ruth Mitchell. This year selected members sang in the All City Chorus, and Albert Wittneben and Robert Staples won first and second places, respectively, as soloists with the group. A beneficial activity for both choruses was participation in the Texas Wesleyan College Choral Clinic. The Boys' Double Quartet, in addition to participating in school programs, sang for outside groups. Also included in the Music Department are classes in Music Appreciation and Harmony, taught by Miss Mitchell.

Miss Mitchell teaches the fundamentals of music. Peralta is the only school in Fort Worth to offer Harmony and Music Appreciation classes.

National Honor Society Recognizes Top Scholars

The National Honor Society, under the sponsorship of Miss Lois Anne Smith and Mrs. Goldie Ripper, has as its aim the recognition and promotion of scholarship, service, leadership, and character in the pupils of Paschal High School. The R. L. Paschal Chapter was organized in 1935. Fall term members are seniors with all "A" averages for the previous two years; spring term members must be in the top fifteen per cent of the senior class. The annual spring luncheon is the chief activity of the group.

Pan-American Student Forum Spanish Club Officers to

The Paschal Pan-Am Spanish Club was founded in 1935 through the efforts of present sponsor Louise Bomar. Paschal's club was originally a member of a national Pan-Am organization, which broke up at the outset of World War II. It functions now as a member of the PASF of Texas and is dedicated to encouraging a respect for all nationalities in the Americas and an understanding of them based on a more thorough knowledge and appreciation of the peoples of all the countries of the Western Hemisphere. It encourages the learning of Spanish as a medium of communication and serves as an example of what can be accomplished by individuals of different ancestry working together.

This year's club of 114 members has participated in a number of outstanding and rewarding activities including "Operation Amigo," for which the club was official host. The members served as guides and interpreters for the Argentine students during their one-week visit to Paschal.

The club celebrated a typical Mexican Christmas with a fiesta at El Chico's on December 12. Highlighting the spring semester was the PASF state convention at Austin from the 19-21 of March. The delegation, headed by president David Cochran, attended several workshops on Latin American activities, blending in a modicum of fun for good measure.

Pantherette Becomes All-American

This year Paschal's bi-monthly newspaper was chosen as one of the select few all-American papers by the National Scholastic Press Association. The honor was last won in 1916 and is only one of the Pantherette's many achievements. Designated as the best in the city by the Fort Worth Press, it had numerous awards given to individuals on the staff. This success can be largely attributed to the sponsors, Mrs. Margaret Caskey and Mrs. Goldie Rippey.

In 1927 the first issue of the Pantherette went to press. Since then the paper has grown in quality and size, often six pages, longer than that of any other school. The paper is issued every other Tuesday and costs only ten cents. It presents an accurate picture to the students and faculty of life at Paschal. The staff members acquire skill in writing and in the mechanics of a newspaper.

The members of the staff proved their originality in the basketball game with the annual staff by using nineteen players and two basketballs. They showed their appetites at the banquet at the end of the year. Journalism pins were awarded to those members who wrote a required number of lines in columns, news articles, features, interviews, and editorials.

Red Cross Sends Exhibit to Canada

The High School Red Cross, originally founded in 1917 by Woodrow Wilson, was organized at Paschal during the school year of 1940-41 by Miss Grace Burkett in order to give Paschal students the opportunity to assist in the work of the American Red Cross. This year's 50 members under the direction of its sponsor, Miss Shirley Wilkinson, and President Barbara Blakistone have prepared a relief chest for disaster areas. The club also prepared an exchange exhibit from Paschal for the Canadian Junior Red Cross. They also assisted in the annual Red Cross drive for funds.

Devoted to the intensive study of the author of the year (either Vergil or Cicero), the members encouraged advanced Latin study by personally talking to second year students and telling them the merits of advanced study. The club has purchased several models of ancient Rome for the Latin Department. A major service is the distribution of honor cards to 1A students each six weeks' period. Service Council Compiles Student Directory

When new students and visitors meet smiling faces seek information at one of the two student activity boards, or observe the courtyard, they are seeing the effects of the Student Service Council. Sponsored by Mrs. Winifred Elliott, the Council encourages high standards and school spirit through words and deeds. The four points of the honor system—courtesy, cooperation, loyalty, and scholarship—are the impetus behind its actions. The Service Council, consisting of homeroom representatives and class and student body officers, correlates student body and faculty and assists in school activities. During Howdy

Week the sophomores are greeted and presented a program. The student directory is compiled and sold in the fall. The Sports Follies tickets are sold, ushers are provided, and the Follies are publicized. During Public Schools Week there are hospitality committees. All of these services and others, such as student body elections and various programs, are provided by the Service Council. Its 200 members (100 representatives and 100 alternates from the homerooms) are elected with high grade averages. The sixteen student body and class officers make up the steering committee.

Besides producing their own plays, the members make a point of attending the fine offerings available in the Fort Worth area. This year the season was climaxed by the three act, "Stage Door," which was presented to full houses of pleased and entertained Panthers.

Paschal Captures District Championship

The Paschal Panthers swept to their fourth straight district title this season and captured a spot in the state playoffs. Paschal posted a perfect 6-0 record in district competition and a 9-3 mark over the regular season.

After winning their first two states, the Panthers moved on to districts, where they were rolling. Cory, in the center of play, if game, Paschal earned six live starts in sweet play. Every time it was his turn to start, the Panthers won.

The Panthers won several important individual awards. Carl Gandy, Paschal's all-purpose back, was the all-state runner-up. Jimmie Price, H. L. Gandy, Gene Ingram, and Danny Coshman, Eastern Hills' Carl Fischbach, R. C. McLean, and James Park, and L. J. Day, Franklin, Carl Gandy, Quince, and Randy Conway, and Center Gary Freer were included on the all-district team.

Fischer had an outstanding year. He led the district in rushing yard to a phenomenal 1,100 yards respectively. His 1,100 yards were good enough for second place.

Revenge! Paschal-23 Eastern Hills-7

Nov. 8 — The Paschal Panthers gained the revenge they were seeking as they upended Eastern Hills, 23-7.

The victory avenged last year's loss to the Highlanders who allowed the Panthers to remain unbeaten in district play.

Eastern Hills opened the game by marching 66 yards for its only touchdown. Leslie Jackson threw 17 yards to Ted Harris for the marker. Mike Moore converted to give the Highlanders a 7-0 lead.

Quarterback Randy Conway led the Panthers to the tying touchdown just 48 seconds before the first half ended. Working from the spread formation, he threw key passes to David Yates, Jim Little, and Bob Black to spearhead the drive which reached the nine. Then on fourth down, he fired a touchdown strike to Black. Dennis Hunt's first of three extra points tied the score at 7.

Early in the second half, Paschal moved 43 yards for its go-ahead TD after Gene Sanders intercepted a Highlander pass. Charles Crabtree climaxed the drive by slamming over the goal line three yards out. The Panthers added a safety to lead 16-7 at the end of the third quarter.

Boasting five returning lettermen, the Paschal tennis team had a successful year competing in tournaments in Wichita Falls, Garland, and Waco. Under the sponsorship of Robert Barr, the netters made a fine showing in both the city double round-robin matches and in the city high school tournament. Representing Paschal in the city tournament were Marc Michie, singles and Dan McLeland and Bobby Richardson, doubles. The net team posted its best season in five years with more boys participating in more matches than ever before.
